

NOTICE TO TRADE

CONWARE

Punjab State Container & Warehousing Corporation Ltd

Pursuant to an accidental fire in the warehouse at our CFS, we had issued several Trade notices informing all cargo owners of an accidental fire that took place at our warehousing facility on 31.1.2010 in which both export and import LCL cargo was affected. The notice called upon all shippers/consignees and their respective shipping agents/nominees to inspect their cargo/assess the cargo after submitting relevant documents, not later than the 27th of February, 2010.

We are in receipt of several representations from the trade requesting us to extend the date for inspection/assessment/submission of relevant documents. Acceding to the requests so made, we would like to inform all concerned that the date for all shippers/consignees and their respective shipping agents/nominees to inspect their cargo/assess the cargo after submitting relevant documents, has been now extended to **17th of March, 2010**.
